

Proposed Amendment to the By Laws of American Legion Riders Chapter 91 Wayne V. McMartin Post No. 91 of the American Legion, Department of Arizona.

Article II – Management Section 1 currently reads:

The Officers of the Chapter shall be President, Vice President, Junior Vice President, Secretary, Treasurer, Sergeant-at-Arms, Road Captain, Historian, Chaplain, and Membership Chairman.

Proposed Change:

Article II – Management Section 1

The Officers of the Chapter shall be President, Vice President, Secretary, Treasurer, Sergeant-at-Arms, Road Captain, Historian, Chaplain, and Membership Chairman.

This would have the effect of eliminating the office of Junior Vice President.

Proposed Change:

Article V – Duties of Officers Section 3. Duties of Junior Vice President currently reads:

The Junior Vice President shall assume and discharge the duties of the office of the President and the Vice President in the absence or disability of, or when called upon by the President.

Proposed Change:

Section 3 of Article V shall be deleted.

This would be necessary if the proposed change above were to be ratified.

Proposed amendment to the Constitution of The American Legion Riders Chapter 91
Wayne V. McMartin Post 91 of the American Legion.

Article VIII – Membership Identification Section 1. d. Currently reads:

A Post 91 Chandler patch will be placed at the bottom right, with a District 12 patch directly above.

Proposed Change:

Article VIII – Membership Identification Section 1. d.

A Post 91 Chandler patch is optional. If used it shall be placed at the bottom right, with a District 12 patch directly above. If not used the District 12 patch shall occupy the same position on the back of the vest as if the Post 91 Chandler patch was in the bottom right.

This change would allow members to choose whether they wanted to wear the Post 91 Chandler patch. Post 91 Chandler Az is already an integral part of our Center Patch. Not displaying the Post 91 Chandler patch would free up space on the member's vest for the display of other patches.
