

Proposed amendment to the Constitution of the American Legion Riders Chapter 91
Wayne V. McMartin Post 91 of the American Legion.

Article IV – Membership Eligibility Section 2. Currently reads:

All members of The American Legion Riders must further demonstrate current individual membership in The American Legion, the American Legion Auxiliary, or the Sons of The American Legion, and shall be a member of Wayne V. McMartin Post 91 of The American Legion.

Proposed Change:

Article IV – Membership Eligibility Section 2.

All Members of The American Legion Riders must further demonstrate current individual membership in The American Legion, the American Legion Auxiliary, or the Sons of The American Legion.

This change would allow members of other posts to become American Legion Riders of Chapter 91. This would enable our membership to draw from a much wider pool of candidates who for some reason or other, such as life membership in another post etc., don't want to change their affiliation with that post to become members of Chapter 91 American Legion Riders.
